

5th Annual NAMI Piedmont Tri-County Walk for 1 in 4 October 20, 2018, Cherry Park, Rock Hill SC

We're gearing up for our **fifth** annual fundraising walk for your NAMI affiliate serving York, Lancaster, and Chester Counties. If you want to make a positive impact on your community's mental health, please consider being a sponsor for our walk this year on October 20th in Cherry Park. If you have been a sponsor in past years, we thank you! Our walk sponsors have enabled NAMI to accomplish great things for our community in the past year. For example:

✓ **5500** local area high school students attended the Ending the Silence program in 2017 and so far in 2018, an hour long presentation that educates students about the signs of mental illness and seeks to erase the stigma among the student body. The students are given hot line numbers and local resources to turn to if they are experiencing mental health issues or having suicidal thoughts. This has already resulted in potentially life-saving crisis intervention.

✓ Provided Family to Family & NAMI Basics education classes to nearly **80** family members and friends with a loved one with a mental health condition. This is a lifeline to those family members and caregivers who don't understand what is happening to their loved one, or how to help them.

✓ Facilitated **14** support group meetings monthly, reaching about **850** individuals affected by a serious mental illness, as well as their family and friends. Peer support is one of the most important parts of coping with mental health issues and challenges.

NAMI Piedmont Tri-County also offered Provider Education Courses at the Piedmont Medical Center for health care professionals, presented first-person accounts of mental illness experiences to Winthrop University Social Work students through In Our Own Voice, provided mental health educational training to Winthrop Education Major students through Parents and Teachers as Allies, and offered WRAP, Wellness Recovery Action Plans, training to our support group members.

Please join our list of sponsors this year so we can continue our **free** services to the community and reach our walk goal of \$50,000. **As an added benefit this year, we are including participation in our first NAMI PTC golf fundraiser on September 22 at the Lancaster Golf Club for sponsors at the Platinum and Premium levels. See our web site for details!**

Also, consider forming a Walk Team for your company or organization to participate in the walk. It's a great way to support mental health in your community! Thank you.

Steve Vogel
President,
NAMI Piedmont Tri-County

Walk for 1 in 4

(One in four adults experience mental illness in a given year.)

October 20th, 2018
