

Golf Tournament
September 22, 2018
Lancaster Golf Course
1821 Spring Club Rd, Lancaster SC

NAMI's aim is to rebuild hope where it's been damaged or lost. We work with those in need, those who are underprivileged, and those who are underserved to rebuild hope and recovery for those who are affected by mental illness.

Today, NAMI Piedmont Tri-County serves Lancaster, York, and Chester counties and is continuing to support families affected by mental health disorders through free education classes and support groups. In addition, we have extended our outreach to the local community we serve to provide education to schools (both teachers and students), police departments and child serving agencies to educate them about signs and symptoms of mental illness.

Hole Sponsorship - \$100
(Can be a business sign or in Memory/Honor of someone you know that is affected by or has been affected by mental illness.)

There will be a sign for your sponsorship on the tee box of each hole you sponsor. To guarantee sponsorship, please **return form and payment by September 14, 2018.**

We hope that you will help support our golf tournament and our pursuit to help stamp out stigma and over time stamp out mental illness!
