

## Third Annual Golf Tournament

**August 28, 2021**

**Lancaster Golf Course**

**1821 Spring Club Rd, Lancaster SC 29720**

Our aim is to rebuild hope where it has been damaged or lost. We work with those in need, those who are underprivileged, and those who are underserved to rebuild hope and recovery for those who suffer from mental illness.

Today, NAMI Piedmont Tri-County serves Lancaster, Chester and York Counties and is continuing to support families affected by mental health conditions through free education classes, presentations, webinars, and support groups. In addition, we have extended our outreach to the local community we serve to provide education to schools (students, school staff and families), police departments and child serving agencies to educate them about the signs and symptoms of mental health conditions and suicide awareness and prevention.

### **Hole Sponsorship - \$100**

**(Can be a business sign or in memory/honor of someone you know that is affected or has been affected by a mental health condition.)**

There will be a sign for your sponsorship on the tee box of each hole you sponsor. To guarantee sponsorship, please **return form and payment by July 30, 2021.**

We hope that you will help support our golf tournament and our mission to reduce the stigma associated with mental health conditions!
